## Qualification overview

This qualification is regulated by:

Ofqual  
CCEA (Council for Curriculum, Examinations and Assessment)  
QW (Qualifications Wales).

### Qualification aim

The aim of this qualification is to provide learners with an understanding of how to manage their own lifestyle with a view to making improvements in health and wellbeing.

These improvements could lead on to enhanced life and work skills, knowledge and improved career opportunities, plus a stimulus for further learning, either in this subject area or generally.

### Overview of knowledge, skills and understanding

Learners will cover:

- lifestyle choices and identifying positive changes to improve their own health and wellbeing
- personal development and how their personal skills, abilities and behaviours can be improved.

### Target group and age range

This qualification is aimed at a range of learners aged 14 and over.

### Qualification structure

To achieve the YMCA Level 1 Award in Introduction to Lifestyle Management, learners must complete 1 mandatory unit.

Unit reference number	Unit title	Level	Credit
Y/600/4343	Lifestyle Management	1	2

The Total Qualification Time (TQT) for this qualification is 20. The Guided Learning Hours (GLH) assigned are 10 minimum.

## Total Qualification Time (TQT)

This is an estimate of the total amount of time, measured in hours that a learner would reasonably need to be able to show the level of achievement necessary for the award of a qualification.

Total Qualification Time is made up of the following two elements:

- (a) the number of hours which an awarding organisation has assigned to a qualification for Guided Learning (see below), and
- (b) an estimate of the number of hours a learner will reasonably be likely to spend in preparation, study or any other form of participation in education or training, including assessment, which takes place as directed by – but not under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.

## Guided Learning Hours (GLH)

This is:

- Face-to-face delivery (learning delivered by a lecturer, supervisor, tutor or other appropriate member of the training team)
- E-learning with a lecturer, teacher or tutor present/available in real-time (the co-presence of learner and tutor can be either remote or in the same physical place)
- Invigilated assessment (external tests sat under controlled or open-book conditions)
- Internal assessment carried out by the learner with a lecturer, teacher or tutor present/available in real-time (the co-presence of learner and tutor can be either remote or in the same physical place).

This is **not**:

Unsupervised learning such as:

- E-learning that the learner carries out unsupervised and with no real-time support from a lecturer, teacher or tutor
- Assessment internally carried out by the learner without a lecturer, teacher or tutor present/available in real-time (for example, completing a Learner Assessment Record (LAR) at home)
- Any additional further study, revision and training activities that the learner does unsupervised to support their learning.

Recommended Guided Learning Hours – our ongoing review

Your External Quality Assurer (EQA) will ask you to feedback on GLH annually as part of the quality assurance visit. You should base your feedback on a typical learner taking this qualification and the time spent on supervised learning (GLH). If you feel the GLH is different from the above and you wish to feedback before your next EQA visit, please email us: [awards.products@ymca.co.uk](mailto:awards.products@ymca.co.uk).

### How the qualification is assessed

Assessment is the process of measuring a learner's skills, knowledge and understanding against the standards set in the qualification.

This qualification is a unit-based qualification and each unit contains learning outcomes and assessment criteria. Learning outcomes set out what the learner is expected to know, understand or be able to do as a result of the learning process. Assessment criteria detail the standards a learner is expected to meet and are broken down into what the learner 'can' do as a result of successfully achieving the unit.

The learner can be assessed holistically or individually as long as they show that the learning outcomes have been achieved.

Competency based learning outcomes (e.g., be able to) are typically assessed through direct observation and these will take place in a real work environment. Where a real work environment is not stipulated the observation can be simulated and be internally assessed.

Knowledge based learning outcomes (e.g., know or understand) can be assessed in a number of different ways such as worksheets, projects, professional discussion etc. The assessment method chosen should reflect the content of the unit.

This qualification must be assessed in line with YMCA Awards assessment policies and procedures [www.ymcaawards.co.uk/centres/centre-guidance](http://www.ymcaawards.co.uk/centres/centre-guidance).

The YMCA Level 1 Award in Introduction to Lifestyle Management is assessed through internal assessment.

### Internal assessment

YMCA Awards suggest the following approaches to internal assessment:

#### Using a Learner Assessment Record (LAR)

This document typically contains assessment guidance and paperwork developed by YMCA Awards to support the assessment of a qualification.

To check if a Learner Assessment Record is available for this qualification, please make sure you are logged in to the centre home on the website and follow this link: [www.ymcaawards.co.uk/download-resources/lars](http://www.ymcaawards.co.uk/download-resources/lars).

#### Creating a portfolio of evidence

If a YMCA Awards Learner Assessment Record (LAR) is not used to evidence internal assessment then the learner must create a portfolio of evidence. Centres must work with learners to create this portfolio and need to make sure that the learner's portfolio shows coverage of the learning outcomes and/or assessment criteria where required.

A typical portfolio of evidence could include:

- Evidence index
- Assessor observation – completed observational checklists and related action plans
- Witness testimony

- Candidate's proof of work
- Worksheets
- Assignments/projects/reports/presentations
- Record of professional discussion
- Record of oral and written questioning
- Candidate and peer reports
- Recognition of Prior Learning (RPL).
- Summary of achievement.

Centres need to make sure assessment specifications and paperwork are signed off by the EQA before delivery.

As a guide to selecting appropriate assessments methods see the suggested example in the 'Qualification content' section of this specification.

### External assessment

There is no external assessment for this qualification.

### Assessors

The role of the assessor is to make an informed judgement about the evidence a learner should provide to show they can meet the assessment criteria. For further guidance please see the 'Role of the assessor' document on the website: [www.ymcaawards.co.uk/centres/centre-guidance](http://www.ymcaawards.co.uk/centres/centre-guidance).

### Internal and external quality assurance

The role of the Internal Quality Assurer (IQA) is to make an informed judgement(s) regarding the practice of and decisions made by the assessment team to maintain standards. They are a vital link between the assessors and the External Quality Assurer (EQA). For further information on the role of the IQA and the EQA go to the website: [www.ymcaawards.co.uk/centres/centre-guidance](http://www.ymcaawards.co.uk/centres/centre-guidance).
