Our Fees

At YMCA Awards, we believe in fair and transparent pricing. When you work with us, you receive more than qualifications; you gain access to a dedicated and experienced team and a wide range of additional services designed to support your success.

Our pricing structure reflects our commitment to quality, affordability and value, ensuring our approved centres receive exceptional support and resources.

ePackages are discounted bundles that include learner registration, eLearning access and the required digital manuals for the qualification. The ePackage discount is only available when the registration and eLearning are both purchased on the same day.

Complimentary teaching resources can be downloaded from Y-Connect; for access support, please reach out to your Customer Account Specialist.

All fees shown are exclusive of VAT. VAT will be applied at the standard rate where applicable.
